SEGO

DJ, PRODUCER & SELECTOR · BUENOS AIRES

HOUSE · TECHNO · TECH-HOUSE · LEFTFIELD

CLUB ENERGY, DEEP LISTENING AND A TASTE FOR THE UNEXPECTED.

Buenos Aires-based DJ and producer with more than a decade behind the decks and in the studio. His sets move through house, techno and tech-house, focusing on groove, tension and musical progression rather than a strictly linear club approach. As a producer, he takes that sensibility into atmospheric, minimal and experimental territory.
